

All garment sizes are specified in centimetres and refer to your ½ chest measurement – taken by measuring under your arms and around the fullest part of your chest and halving the result. An alternate method is to compare your own similar garment size to those given below. You can do this by measuring the ½ chest of your garment (laid flat, measured 1cm below the sleeve join, from side seam to side seam) and compare it to ours. Please refer to the individual garment measurements, shown for each item, to determine your garment to garment size comparison. Logo embroidery is included in the item price as is GST.

Please email your order details to Kevin Phillips – registration@olrhd.com.au - by 12 Noon on Wednesday 9 May 2018 at the latest, earlier is better as I will be placing our first order on Friday 4 May and our 2nd (and last) order on 9 May. You don't need to use this form – just as long as you clearly state what you want. E.g. one lady's polo size 12 and a men's fleece size XL would work for me. Or give me a call on 0427 264 603. Your merchandise will be ready for you to collect at Rose Isle Station on 3 June 2018.

Payment is required before the Drive starts - by bank transfer to:
